8th ENTOMOLOGY GRADUATE STUDENT COLLOQUIUM

All continuing graduate students in the Department of Entomology are expected to give an oral presentation (10-minute talk plus 2 min for questions) of their research at the Annual Entomology Graduate Student Colloquium, to be held on **Tuesday August 25**. Please mark your calendars!

Because of the current situation with covid-19, all presentations will be given virtually via WebEx.

This is an opportunity for students to share their work with the Department, and for faculty and students to learn about other student's research projects. Monetary awards will be given to 1st and 2nd place presentations. 1st place winner will receive $ 150; 2nd place winner will receive $ 100.

Please send the title of your presentation to Dr. Cesar Rodriguez-Saona at crodriguez@njaes.rutgers.edu no later than August 10.

**When: Tuesday August 25**
**Where: Virtual Meeting (WebEx)**
**Time: 9:00 AM – NOON**
